To Whom It May Concern

**Re: Totem Signage Project - Circular Quay**

Central Signs Pty Ltd was engaged in 2004 by Sydney Harbour Foreshore Authority, under a contract resulting from a competitive tender process to manufacture and install two 8m high way-finding signs on the promenade at the eastern and western ends of Circular Quay in Sydney. The value of the contract was in the range \$100,000 to \$150,000.

The works were satisfactorily carried out on this high profile location and involved working in restricted hours and areas to minimise any inconvenience to tourists, commuters and nearby residents.

Central Signs kept the Foreshore Authority informed during the project in accordance with the contract and completed the works ahead of the contracted completion date, to the quality specified.
