

**TO Whom It May Concern**

Central Signs Pty Ltd were engaged by the Sydney Harbour Foreshore Authority, under a contract resulting from a competitive tender process to manufacture and install the following :-

- Entry markers in excess of 6m high providing enhancements to various entrances at Darling Harbour
- New directional signage
- Secondary maps of high quality finish
- Pedestrian Amenity signage

The estimated contract(s) value was in the range of \$400,000 to \$500,000. The works were carried out in this high profile area with minimal disruption to the operations. I would be happy to provide further information by phone on request.
